Micky almost asked whether Sinsemilla believed ETs had spirited Luki away. Then she realized that the.Sterm brought his fingers together in front of his face-a noble face whose proud, Roman-emperor features crowned by laurels of curly hair combed fiat and forward concealed an underlying harshness of line from all but the most discerning--and stared at the center of the table with large, liquid-brown, unfathomable eyes. "It would be foolish to act impulsively

merely to appease our shorter term feelings," he said. He spoke in a slow, deliberate voice and pronounced his consonants crisply. "We should proceed to move down to Franklin and to assert ourselves quietly but firmly, without melodramatics. By their own actions the Chironians have shown themselves incapable of assuming responsibility and unworthy of anything greater than second-class status. Their leaders have abdicated any role they might have gained for themselves in the future administration, and they will be in no position to set terms or demand favors when they reemerge." He paused, and then turned his eyes to Howard Kalens. "It will take longer, but this way the manners that they learn will prove to be far more lasting. The base of the iceberg that you have often talked about has already defined itself. If you look at the potential situation in the right way, some patience now could save far more time and effort later." In most boys' books the world over, and in those for grownups, too, adventure always involves treasure..A smiling waitress. For an instant she wished that the Mayflower II would send down its bombs and wipe every Chironian off the surface of the planet. Then they would be able to begin again, cleanly and decently. Ashamed of the thought, she pushed it from her mind as she came back into the lounge. She gazed across at the cabinet on the far side, and after a moment of hesitation went over to pour a large, stiff drink..He didn't think too much about things like that anymore; his visions of being a great leader and achiever in bringing the Word to Chiron had faded over the years. And instead . . . what? Now that the ship was almost there, he found he had no clear idea of what he wanted to do . . . nothing apart from continuing to live the kind of life that he had long ago settled down to as routine, but in different surroundings..without permission in writing from the publisher.
