Okay, you're getting everything from the decaying food in her gut to her deepest buried childhood fears of an empty echoing house. "Whose idea was it that Detweiler have dinner and spend the evening with you?" They started forward again toward the fires. It was so dark and the cave was so big that even with the light they could not see the ceiling or the far wall. The fires themselves burned in huge scooped out basins of stone. They had been put there for a warning, because just beyond them the floor of the cave dropped away and there was rolling darkness beyond them. Aventine has too many rich and famous residents to care about another celebrity, and as we." "It's marvelous," Amanda said. "And people actually live in them?" otherwise, asking about her tenants wasn't a new thing. I walked into the doiled room, and she looked at. She grinned. "You've got a cute rear end. Almost as cute as Hurt Reynolds'. Maybe he's twins." I nodded again, at the same time wondering how Amanda Gail could ever, really, consider herself alone. The acrimonious divorce of former Olympic runner Margot Randall and Senator Charles Christopher Gail had traumatically divided not only Amanda's childhood but her very psyche. Five years ago, when Margot Randall died in a hovercraft accident and Amanda moved to Washington full-time, it emerged that for most of her childhood, Amanda Selene Gail had been two personalities, Amanda Gail and another calling herself Selene Randall. The revelation, and their decision to remain dissociated, had made them the darlings of the gossip columns. "But it could be done, right? With the proper shielding so the plants won't be wiped out before they. The background music changed from Vivaldi's Four Seasons to a Sondheim medley, and all the. "Out!" he said. I've heard it before. That's a male-oriented way to look at it, Crawford." She was regaining her stature as they watched, seeming to grow until she dominated the group with the intangible power that marks a leader. She took a deep breath and came fully awake for the first time that day. Scarlet wiped out the blues and greens. Amanda cried, "Let's see." (He peeked into Barry's file.) ". . . Barry?" 267. snub! Amanda Gail and Selene Randall came to Aventine during the autumn hiatus, when the last of the summer residents had gone back to jobs in the city or followed the sun south, and the winter influx of skiers and skaters was still some weeks away. Aventine scarcely noticed them, and if my current cohab had not gone off through the Diana Mountain Stargate on some interstellar artists' junket, they might never have been more than clients to me, either. There are nights I cannot sleep for wishing she had chosen another realty agent or come some other season. I'm on the concert tour and work their stim board, me and my console over there on the side of the stage. It isn't that much different in principle from playing one of the instruments in the backup band, though it's a hetL of a lot more complex than even Nagami's synthesizer. It all sounds simple enough: my console is the critical link between performer and audience. Just one glorified feedback transceiver: pick up the empathic load from Jain, pipe it into the audience, they react and add their own load, and I feed it all back to the star. And then around again as I use the sixty stim tracks, each with separate controls to balance and augment and intensify. It can get pretty hairy, which is why not just anyone can do the job. It helps that I seem to have a natural resistance to the sideband stopover radiation from the empathic transmissions. "Ever think of teaching?" said the school voc counselor. "No," I said.
